

LOS ANGELES COUNTY CLIENT COALITION, INC.  
GENERAL MEETING ANNOUNCEMENT

---

# URGENT ~ MESSAGE ~ URGENT

Dear Members, Consumers, Families, and All Interested Consumers,

As the CEO, CFO and Secretary of the Non - Profit, we are extremely happy to announce that we have found a place to hold our Regular Monthly Meetings. It has been a real hassle to find a place that will make everyone happy. Many people have expressed that they are unhappy with the idea of going to Culver City for our meetings. We have been searching for a space and have decided to try a building which is right behind the 550 Vermont Building. The location is on 6<sup>th</sup> Street, between DMH 550 and IHOP. We hope that many of you will try to make the General Meeting so you will be able to give us an assessment of the space for the future or bring us your suggestions of another space that we should try.

We are asking the Executive Committee to meet with us after the Full Commission Meeting at the Kenneth Hahn Building on Thursday, March 23, 2017. There is a park where the pool and fountain are located next to the Starbucks. We want to have a brief meeting with the Officers to go over a few things to get your feelings on your plans for the year and whether you plan to continue as an Officer of the Los Angeles County Client Coalition, Inc.
